

BlueAnt®

V12

LCD Bluetooth Headset

- > Backlit LCD with Caller ID
- > Ambient Noise Reduction
- > Intelligent status indicators
- > Stores received call history for redial
- > Vibrating alert
- > 2 year warranty

The BlueAnt V12 Bluetooth headset with LCD display, caller ID and vibrating call alert is packed with some truly advanced features.

The automatic backlit LCD screen offers advanced features such as 12 number caller ID, battery and volume level indicators, and the last 10 number caller history. With voice dial, vibrating caller alert and a micro usb neckstrap, the lightweight (16 grams/ 1/2 ounce), V12 Bluetooth headset is the full featured Bluetooth headset at an affordable price.

With an extended battery life of up to 12 hours talk time and 15 days standby time, the V12 is built to keep you on the move.

Innovative yet simple to use, the cutting edge BlueAnt V12 is the Bluetooth headset that communicates with you.
